

Notifications

When there is a new or pending notification to view, they are displayed in the upper right corner with the number of received notifications.

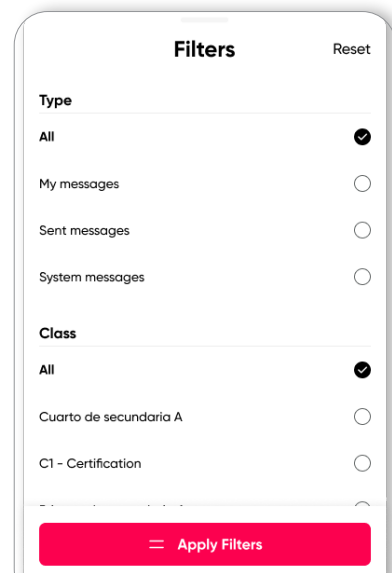

Click on **View all notifications** to see the complete information.

Here you can see all new/unread notifications (distinguished by a red dot) and reviewed notifications.

You have the Type and Class filters available for easier and faster searching.

Notifications will be displayed with the number of received notifications in red color.

Click on the notification to view it in full and to be able to respond.
