

Widgets

The **Assignments** widget provides the teachers with information related to how many assignments with Manual Marking activities he/she has pending to score.

Widgets allow for a quick visualization of pending manual markings within the platform. They help maintain effective control and response times.

Click on the widget to review, and the list of pending assignments to grade will be displayed by level (preschool, elementary, or high school).

Select the class you want to review, and the complete assignments section will open.

The screenshot shows the "Assignments" page in the Richmond Studio interface. The page header includes the logo, "English 1A", "24 Students", and a code "GDFS65G41". The left sidebar lists navigation options: My dashboard, Class materials, Test manager, iRead, Assignments (selected), Markbook, Communications, and Class library. The main content area displays a table of assignments.
